Subject: ITC - Draft AOC and SOW with WMD Language

Hi All,

Attached is the latest draft AOC and SOW that includes new wastewater management and disposal plan (WMD Plan) language. In an effort to expedite the AOC and not mess up existing paragraph numbering, I simply added it to Paragraph 19. I also added it to new Item 6 in the draft SOW.

Management has yet to review much less approve this latest language, but I thought I'd send this to you now to keep the pace going.

Thanks,
